Dear to you,
No.3

Descendants of the Earth!

Descendants of the Earth!

Descendants of the Earth!

*At The ground we're standing with two legs,
And Manipulating tools with two arms,
We had (living with) using fire.*

*So far,
We have already been erased from the universe!
But,*

Descendants of the Earth!

*You guys have already longer than the light
What was there flying in the world!
Already, already, you would have been probably
Changed yourself shape and appearance!*
