The rain is raining On the road,
It's falling on leaves of trees,
It's falling on the earth of the road,

Not see, people and walkers,
Not hear, sounds without falling rain's,
You! you! How Sadly is it?
You! you! How lonely is it? But
It's very very quite and peaceful for me!

The rain is raining On the road,
It's falling on leaves of trees,
It's falling on the earth of the road,
