MUSICAL INSTRUMENT
and

MIXED CHORUS GROUP

The dynamic of performance is freedom(the conductor's) discretion.

Sorrow of the night

No one everybody on the road,
No anything lights on the road,
All around is in the darkness, darkness,

I can't see, can't look anything in the darkness.
But, The stars are twinkling diamonds in the night sky,
Rather than the current, it's showing
the world of the past hundreds of millions of light-years.
Where is now? I can't know that, I've been in the dark,

In the dark.
I can't see, can't look anything in the darkness.
Where is now? I can't know that, I've been in the dark.
