### Road; Sorrow of the night

*No one everybody on the road,  
 No anything lights on the road,  
 All around is in the darkness, darkness,  
 I can't see, can't look anything in the darkness.*

*But, The stars are twinkling in the night sky,  
 Rather than the current, it is showing  
 the world of the past one hundred million light-years.  
 Where is now? I can't know that, I'm in the dark.*
